NL

Een compacte conferentiestoel met een rijk zitcomfort, Blue! Het ranke onderstel sluit naadloos aan op de compacte vormgeving van de zitschaal. Naast Blue Conference omvat het Blue programma een fauteuil, chaise longue, ottoman en een coffee table. Het losse zitkussen van Blue fauteuil heeft een afneembare hoes en wordt desgewenst uitgevoerd in een andere stoffering. Optioneel wordt Blue fauteuil uitgevoerd met een hoofdsteun, welke naadloos doorloopt in de rugleuning.

DE

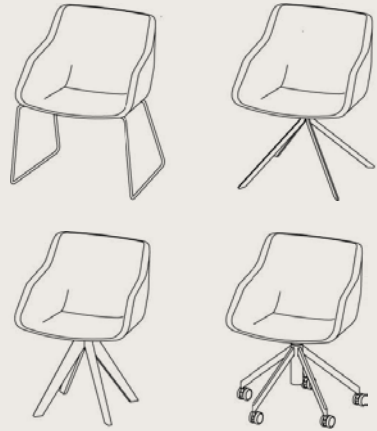

Ein kompakter Konferenzstuhl mit viel Sitzkomfort: Blue! Das anmutige Gestell schließt nahtlos an das kompakte Design der Sitzschale an. Neben Blue Conference umfasst das Blue-Programm einen Sessel, eine Chaiselongue, einen Ottoman und einen Coffee Table. Das lose Sitzkissen des Blue-Sessels verfügt über einen abnehmbaren Bezug und wird auf Wunsch in einem anderen Stoff ausgeführt. Optional wird der Blue-Sessel mit einer Kopfstütze ausgeführt, die sich nahtlos in der Rückenlehne fortsetzt.

FR

Un fauteuil de conférence compact à l'assise généreuse, Blue ! L'embase épurée cadre parfaitement avec la forme de la coque d'assise. Outre le Blue Conference, le programme Blue comprend également un fauteuil, une chaise longue, un ottoman et une table à café. Le coussin d'assise distinct du fauteuil Blue est pourvu d'une housse amovible et peut être exécuté dans un autre garnissage. En option, le fauteuil Blue est exécuté avec un appui-tête, se fondant parfaitement dans les lignes du dossier.

Blue, a compact conference chair with rich sitting comfort! The slender base fits seamlessly with the compact design of the seat structure. In addition to Blue Conference, the Blue range includes an armchair, chaise longue, ottoman and a coffee table. The loose seat cushion of the Blue armchair has a removable cover and is available with alternative upholstery if required. Optionally, the Blue armchair comes with a headrest, which runs seamlessly into the backrest.

BASE

Blue is available with a tubular frame and a four-star cross base. The four-star cross base is available in steel, stainless steel and oak. The steel four-star cross base is optionally equipped with castors. The height of the seat is adjustable.

FINISHING

The tubular frame is finished with powder coating. The steel base is finished with a matte fine-textured powder coating. The solid oak four-star cross base is lacquered in transparent matte. A variety of standard powder coating colours are available. Alternative colours on request.

UPHOLSTERY

Aside from the Casala upholstery, there is a wide fabric collection available from renowned manufacturers. Alternative upholstery on request.

NL

ONDERSTEL

Blue is beschikbaar met buisframe en kruisvoet. De kruisvoet is beschikbaar in staal, RVS en eikenhout. De stalen kruisvoet wordt desgewenst voorzien van wielen. De hoogte van de zitting is dan in hoogte verstelbaar.

AFWERKING

Het buisframe wordt afgewerkt met poedercoating. Het stalen onderstel wordt afgewerkt met een matte fijnstructuur poedercoating. Het massief eiken kruisvoet onderstel wordt mat transparant gelakt. Er zijn diverse standaardkleuren poedercoating beschikbaar. Overige kleuren op aanvraag. Hoogte verstelbaar.

STOFFERING

Naast de Casala stoffen is er een brede stoffencollectie beschikbaar van gerenommeerde fabrikanten. Overige stoffen op aanvraag. Verkrijgbaar in duo-stoffering.

DE

GESTELL

Blue ist mit Rohrgestell und Kreuzfuß verfügbar. Der Kreuzfuß ist in Stahl, Edelstahl und Eichenholz erhältlich. Der Stahl-Kreuzfuß wird auf Wunsch mit Rollen ausgestattet, dann ist die Sitzfläche höhenverstellbar. Der Stahl-Kreuzfuß wird auf Wunsch mit Rollen und Höhenverstellung ausgestattet.

VERARBEITUNG

Das Rohrgestell ist pulverbeschichtet. Das Stahlgestell ist mit einer matten Feinstruktur-Pulverbeschichtung versehen. Das Kreuzfuß-Gestell aus Massiveiche wird matt transparent lackiert. Es sind Pulverbeschichtungen in verschiedenen Standardfarben verfügbar. Weitere Farben auf Anfrage.

POLSTERBEZUG

Neben den Casala-Stoffen ist eine umfangreiche Stoffkollektion renommierter Hersteller verfügbar. Weitere Stoffe auf Anfrage.

FR

EMBASE

Blue est disponible avec structure tubulaire et piètement étoile. Le piètement étoile est disponible en acier, INOX et chêne massif. Le piètement étoile en acier peut être pourvu de roulettes. L'assise est alors réglable en hauteur.

FINITION

La structure tubulaire est parachevée par un coating en poudre. L'embase en acier est parachevée par un coating en poudre mat à la structure délicate. L'embase en piètement étoile en chêne massif est recouverte d'une laque transparente mate. Différents coloris standard sont disponibles pour le coating en poudre. Autres coloris sur demande.

GARNISSAGE

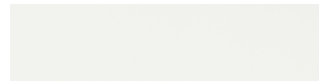

Outre les tissus Casala, une vaste gamme de tissus de fabricants de renom est disponible. Autres tissus sur demande.

POWDER COATINGS

The powder coating used, does not contain toxic substances or components that hold heavy metals. During the production process, the redundant powder is intercepted and re-used in our production process. Powder coating colours that are not standard to the Casala collection can be used at the customer's request.

GENERAL INFO

CASALA GUARANTY

Casala guarantees that delivered products retain their functional properties for a period of 5 years. The warranty period commences on the date of delivery and is not interrupted, impeded or renewed when a warranty service has been provided. We can handle complaints quickly when you send a clear description together with photos, the model number, the order number and the date of manufacture to Casala. You can find this information on the production sticker under the chair or table.

CASALA CERTIFICATION

Casala continually strives to reduce the environmental impact in the development of our products. During development, care is taken to make responsible use of raw materials and production techniques. For many years Casala has been working with dedicated suppliers and producers conformed to the ISO14001 standard. This standard is used worldwide to start and assess environmental management systems. In order to ensure wood and paper products originate from responsibly managed forests, Casala encourages the use of international certifications PEFC™ and FSC®.

Casala embraces PEFC™ and FSC® as certification institutes. By integrating these standards, we are able to extract our current timber from the forests without harming the needs of future users.

Thanks to the established quality requirements and control of production processes, Casala's project furniture guarantees excellent quality, long life and durability.

CASALA FSC® CERTIFICATION: CU-COC-858146

CASALA PEFC™ CERTIFICATION: CU-PEFC-858146

CASALA CIRCULAR ECONOMY

Casala realises it is responsible for the environment and the economic and social well-being of our world and considers it important to make a structural contribution. Our objective with regard to Circular Economy is simple: successful corporate social responsibility with focus on a sustainable world. During the design phase we determine the products and materials and examine their impact and behaviour in the product chain. These choices are the basis of adequate management of products and materials. For many years Casala has been working with raw materials that mainly originated in Western Europe. The required transport kilometers are thus kept to a minimum. This contributes to the lowest possible CO-2 emissions.

Chairs are frequently discarded after use and seen as waste. This is unnecessary, as the parts are often not at the end of their life cycle. Therefore Casala chooses to refurbish various items from our product range and offers CE guarantee on multiple programs.

When purchasing new furniture, you decide in consultation with Casala whether you want to make use of the CE guarantee. Casala CE comes with an official certificate. The moment you want to replace the furniture, you can return this CE certificate. Every CE-certified product will receive a cash refund, a nice start for the purchase of new furniture. This contributes to a more sustainable world, the foundation of Circular Economy. Result: a chair with the same quality and warranty conditions as a new chair.
