TUNE | INFOSHEET

TUNE | INFOSHEET

Tune is characterised by its modest design with sleek lines. This enables Tune to integrate stylishly into a number of interiors, without drawing attention to itself. The high legs are positioned at the extreme corners of the frame. This makes Tune seem to float in space. The Tune programme includes a sofa, corner sofa, armchair, chaise lounge and an ottoman.

NL

Tune wordt gekenmerkt door zijn ingetogen design met strak lijnenspel. Hierdoor laat Tune zich op stijlvolle wijze integreren in tal van interieurs, zonder de aandacht op zich te vestigen. De hoge pootjes zijn op de uiterste hoeken van het frame geplaatst. Hierdoor lijkt Tune te zweven in de ruimte. Het Tune programma omvat een sofa, dormeuse (hoekbank), fauteuil, chaise longue en een ottoman.

DE

Tune kennzeichnet sich durch sein dezentes Design mit einem ausgewogenen Linienspiel. Damit kann Tune stilvoll in viele verschiedene Inneneinrichtungen integriert werden, ohne die Aufmerksamkeit auf sich zu lenken. Die hohen Beine sind ganz außen am Gestell positioniert, sodass der Eindruck entsteht, Tune würde im Raum schweben. Das Tune-Programm umfasst Sofa, Schlafsofa (Ecksofa), Sessel, Chaiselongue und Ottoman.

FR

Tune est caractérisé par son design discret marqué par un jeu de lignes épuré. De ce fait, Tune se fond élégamment dans de nombreux intérieurs, en toute discrétion. Les pieds hauts sont placés aux extrémités de la structure. De ce fait, le Tune semble flotter dans l'espace. Le programme Tune comprend un sofa, une dormeuse (une banquette d'angle), un fauteuil, une chaise longue et un ottoman.

ELEMENT

Solid wooden seat element with steel no-sag suspension, equipped with high-quality HR Eco foam. A layer of Dacron is placed over the foam. This drastically reduces friction and wear of the fabric.

BASE

Chrome-plated steel with plastic runners.

UPHOLSTERY

Aside from the Casala upholstery, there is a wide fabric collection available from renowned manufacturers. Alternative upholstery on request. In leather, the back of the sofa backrest has an additional vertical seam. It is aligned in the middle. The armrest and backrest have two extra vertical seams.

NL

ROMP

Massief houten frame met stalen nosag vering, voorzien van hoogwaardig HR Ecoschuim. Over het schuim wordt een laag Dacron aangebracht. Hierdoor wordt wrijving en slijtage van de stof drastisch gereduceerd.

ONDERSTEL

Verchromd staal met kunststof glijders.

STOFFERING

Naast de Casala stoffen is er een brede stoffencollectie beschikbaar van gerenommeerde fabrikanten. Overige stoffen op aanvraag. In leder wordt de achterzijde van de rugleuning van de sofa voorzien van een verticale stiknaad. Deze wordt in het midden uitgelijnd. De armen rugleuning worden voorzien van twee extra verticale stiknaden.

DE

POLSTERKÖRPER

Massivholzgestell mit Nosag-Stahlfedern, mit hochwertigem HR Eco-Schaum. Auf den Schaum wird eine Schicht Dacron aufgebracht. Hierdurch werden Reibung und Verschleiß des Stoffs drastisch reduziert.

GESTELL

Verchromter Stahl mit Kunststoffgleitern.

POLSTERBEZUG

Neben den Casala-Stoffen ist eine umfangreiche Stoffkollektion renommierter Hersteller verfügbar. Weitere Stoffe auf Anfrage. In der Lederausführung wird die Rückseite der Rückenlehne des Sofas mit einer vertikalen Naht versehen. Diese ist in der Mitte ausgerichtet. Arm- und Rückenlehne haben zwei zusätzliche vertikale Nähte.

FR

CARCASSE

Encadrement en bois massif avec ressorts Nosag en acier, pourvu de mousse Eco HR de haute qualité. Une couche de Dacron vient ensuite recouvrir la mousse. De ce fait, le frottement et l'usure du tissu sont sensiblement réduits.

EMBASE

Acier chromé avec glissières en plastique.

GARNISSAGE

Outre les tissus Casala, une vaste gamme de tissus de fabricants de renom est disponible. Autres tissus sur demande. En cuir, l'arrière du dossier du sofa est pourvu d'une couture verticale. Celles-ci sont alignées au centre. Les accoudoirs et le dossier sont pourvus de deux coutures verticales supplémentaires.

GENERAL INFO

CASALA GUARANTY

Casala guarantees that delivered products retain their functional properties for a period of 5 years. The warranty period commences on the date of delivery and is not interrupted, impeded or renewed when a warranty service has been provided. We can handle complaints quickly when you send a clear description together with photos, the model number, the order number and the date of manufacture to Casala. You can find this information on the production sticker under the chair or table.

CASALA CERTIFICATION

Casala continually strives to reduce the environmental impact in the development of our products. During development, care is taken to make responsible use of raw materials and production techniques. For many years Casala has been working with dedicated suppliers and producers conformed to the ISO14001 standard. This standard is used worldwide to start and assess environmental management systems. In order to ensure wood and paper products originate from responsibly managed forests, Casala encourages the use of international certifications PEFC™ and FSC®.

Casala embraces PEFC™ and FSC® as certification institutes. By integrating these standards, we are able to extract our current timber from the forests without harming the needs of future users.

Thanks to the established quality requirements and control of production processes, Casala's project furniture guarantees excellent quality, long life and durability.

CASALA FSC® CERTIFICATION: CU-COC-858146

CASALA PEFC™ CERTIFICATION: CU-PEFC-858146

CASALA CIRCULAR ECONOMY

Casala realises it is responsible for the environment and the economic and social well-being of our world and considers it important to make a structural contribution. Our objective with regard to Circular Economy is simple: successful corporate social responsibility with focus on a sustainable world. During the design phase we determine the products and materials and examine their impact and behaviour in the product chain. These choices are the basis of adequate management of products and materials. For many years Casala has been working with raw materials that mainly originated in Western Europe. The required transport kilometers are thus kept to a minimum. This contributes to the lowest possible CO-2 emissions.

Chairs are frequently discarded after use and seen as waste. This is unnecessary, as the parts are often not at the end of their life cycle. Therefore Casala chooses to refurbish various items from our product range and offers CE guarantee on multiple programs.

When purchasing new furniture, you decide in consultation with Casala whether you want to make use of the CE guarantee. Casala CE comes with an official certificate. The moment you want to replace the furniture, you can return this CE certificate. Every CE-certified product will receive a cash refund, a nice start for the purchase of new furniture. This contributes to a more sustainable world, the foundation of Circular Economy. Result: a chair with the same quality and warranty conditions as a new chair.
